**1 SEC. 2. FINDINGS.**

2 Congress makes the following findings:

3 (1) The People’s Republic of China, including  
4 the Government of the People’s Republic of China  
5 and the Chinese Communist Party, has mishandled  
6 its management and response to the outbreak of  
7 coronavirus disease 2019 (commonly known as  
8 “COVID–19”) in Wuhan, Hubei Province.

9 (2) On December 31, 2019, the World Health  
10 Organization headquarters in Geneva learned of  
11 pneumonia with an unknown cause, not from Chi-  
12 nese authorities, but from a United States-based

1 listserv, Pro-MED, a platform for sharing early,  
2 open-source intelligence about potential epidemics.

3 (3) On January 9, 2020, the Chinese Com-  
4 munist Party officially announced a coronavirus out-  
5 break, 2 days after the World Health Organization  
6 announced an outbreak and 8 days after closing the  
7 Wuhan Hua’nan wet market.

8 (4) The Chinese Communist Party continually  
9 suppressed medical information, such as early  
10 knowledge of the risk of human-to-human trans-  
11 mission of the SARS-CoV-2 virus, which causes  
12 COVID-19, from doctors and medical professionals  
13 while subjecting them to humiliating reprimands.

14 (5) On January 20, 2020, the Chinese Com-  
15 munist Party finally acknowledged that the SARS-  
16 CoV-2 virus can be transmitted human to human,  
17 despite denials as recently as January 15, 2020.

18 (6) On January 2, 2020, researchers in the  
19 People’s Republic of China completed a genomic  
20 analysis of the SARS-CoV-2 virus, but failed to  
21 share the results with the international community  
22 until January 12, 2020.

23 (7) On January 6, 2020, officials from the  
24 United States Centers for Disease Control and Pre-  
25 vention offered to visit the People’s Republic of

1 China to help respond to the COVID–19 epidemic,  
2 but the offer was declined by the Chinese Com-  
3 munist Party, and the Centers for Disease Control  
4 and Prevention were informed that United States  
5 medical researchers were not permitted to enter the  
6 People’s Republic of China until February 16, 2020,  
7 as part of a World Health Organization delegation.

8 (8) The Chinese Communist Party exponen-  
9 tially increased the spread of COVID–19 domesti-  
10 cally and internationally by continuing to permit  
11 international flights well after domestic quarantines  
12 were put in place.

13 (9) The Chinese Communist Party contributed  
14 to the community spread of COVID–19 by, on Janu-  
15 ary 18, 2020, permitting a 40,000-family potluck  
16 banquet in the Bubuting Community of Wuhan as  
17 part of the Lunar New Year festivities.

18 (10) On March 12, 2020, officials within the  
19 Chinese Communist Party knowingly spread  
20 disinformation that the SARS–CoV–2 virus had  
21 originated with the United States Armed Forces.

22 (11) COVID–19 has decimated the global econ-  
23 omy, caused trillions of dollars in economic damage,  
24 and cost millions of United States citizens their jobs.

1 (12) As of the end of April 2020, COVID–19  
2 has—

3 (A) infected more than 3,000,000 individ-  
4 uals globally and almost 1,000,000 people in  
5 the United States; and

6 (B) caused more than 200,000 deaths  
7 globally and more than 50,000 deaths in the  
8 United States.

9 **SEC. 3. STATEMENT OF POLICY.**

10 It is the policy of the United States—

11 (1) to fully investigate the outbreak of the  
12 SARS–CoV–2 virus, including the role the Govern-  
13 ment of the People’s Republic of China and the Chi-  
14 nese Communist Party played in withholding infor-  
15 mation and knowingly misinforming international or-  
16 ganizations and countries impacted by COVID–19;

17 (2) to ensure that the Government of the Peo-  
18 ple’s Republic of China immediately closes all oper-  
19 ating wet markets that have a potential to expose  
20 humans to health risks through the introduction of  
21 zoonotic disease into the human population;

22 (3) to draw international attention to—

23 (A) any violations by the Government of  
24 the People’s Republic of China of the funda-  
25 mental rights of the people of Hong Kong, as

1 provided by the International Covenant on Civil  
2 and Political Rights; and

3 (B) any encroachment on the autonomy  
4 guaranteed to Hong Kong by the Basic Law of  
5 Hong Kong and the Joint Declaration of the  
6 Government of the United Kingdom of Great  
7 Britain and Northern Ireland and the Govern-  
8 ment of the People's Republic of China on the  
9 Question of Hong Kong, done at Beijing on De-  
10 cember 19, 1984; and

11 (4) to reduce the reliance of essential United  
12 States industries on the People's Republic of China  
13 to fulfill supply chain needs.

13      for anyone arrested or detained in the People's

16      Hong Kong relating to COVID–19; or

1     **TITLE IV—MATTERS RELATING**  
2                     **TO TAIWAN**

3     **SEC. 401. PARTICIPATION OF TAIWAN IN THE WORLD**  
4                     **HEALTH ORGANIZATION.**

5             (a) FINDINGS.—Congress makes the following find-  
6     ings:

7                     (1) The World Health Organization (WHO) is  
8             a specialized agency of the United Nations, charged  
9             with coordinating health efforts within the United  
10            Nations system. The World Health Assembly  
11            (WHA) is the decisionmaking body of the WHO,  
12            which convenes annually in May to set the policies  
13            and priorities of the organization. Statehood is not  
14            a requirement for attendance at the WHA, and nu-  
15            merous observers, including nonmembers and non-  
16            governmental organizations, attended the most re-  
17            cent WHA in May 2018.

18                    (2) Taiwan began seeking to participate in the  
19            WHO as an observer in 1997. In 2009, with strong  
20            support from successive United States Administra-  
21            tions, Congress, and like-minded WHO Member  
22            States, and during a period of improved Cross-Strait  
23            relations, Taiwan received an invitation to attend  
24            the WHA as an observer under the name “Chinese  
25            Taipei”. Taiwan received the same invitation each

1 year until 2016, when following the election of Presi-  
2 dent Tsai-Ing Wen of the Democratic Progressive  
3 Party, Taiwan's engagement in the international  
4 community began facing increased resistance from  
5 the People's Republic of China (PRC). Taiwan's in-  
6 vitation to the 2016 WHA was received late and in-  
7 cluded new language conditioning Taiwan's partici-  
8 pation on the PRC's "one China principle". In 2017  
9 and 2018, Taiwan did not receive an invitation to  
10 the WHA.

11 (3) Taiwan remains a model contributor to  
12 world health, having provided financial and technical  
13 assistance to respond to numerous global health  
14 challenges. Taiwan has invested over  
15 \$6,000,000,000 in international medical and human-  
16 itarian aid efforts impacting over 80 countries since  
17 1996. In 2014, Taiwan responded to the Ebola crisis  
18 by donating \$1,000,000 and providing 100,000 sets  
19 of personal protective equipment. Through the Glob-  
20 al Cooperation and Training Framework, the United  
21 States and Taiwan have jointly conducted training  
22 programs for experts to combat MERS, Dengue  
23 Fever, and Zika. These diseases know no borders,  
24 and Taiwan's needless exclusion from global health

1 cooperation increases the dangers presented by glob-  
2 al pandemics.

3 (4) Taiwan's international engagement has  
4 faced increased resistance from the PRC. Taiwan  
5 was not invited to the 2016 Assembly of the Inter-  
6 national Civil Aviation Organization (ICAO), despite  
7 participating as a guest at the organization's prior  
8 summit in 2013. Taiwan's requests to participate in  
9 the General Assembly of the International Criminal  
10 Police Organization (INTERPOL) have also been  
11 rejected. In May 2017, PRC delegates disrupted a  
12 meeting of the Kimberley Process on conflict dia-  
13 monds held in Perth, Australia, until delegates from  
14 Taiwan were asked to leave. Since 2016, the Demo-  
15 cratic Republic of São Tomé and Príncipe, the Re-  
16 public of Panama, the Dominican Republic, Burkina  
17 Faso, the Republic of El Salvador, the Solomon Is-  
18 lands, and Kiribati have terminated longstanding  
19 diplomatic relationships with Taiwan and granted  
20 diplomatic recognition to the PRC.

21 (5) Congress has established a policy of support  
22 for Taiwan's participation in international bodies  
23 that address shared transnational challenges, par-  
24 ticularly in the WHO. Congress passed H.R. 1794  
25 in the 106th Congress, H.R. 428 in the 107th Con-

1       gress, and S. 2092 in the 108th Congress to direct  
2       the Secretary of State to establish a strategy for,  
3       and to report annually to Congress on, efforts to ob-  
4       tain observer status for Taiwan at the WHA. Con-  
5       gress also passed H.R. 1151 in the 113th Congress,  
6       directing the Secretary to report on a strategy to  
7       gain observer status for Taiwan at the ICAO Assem-  
8       bly, and H.R. 1853 in the 114th Congress, directing  
9       the Secretary to report on a strategy to gain ob-  
10      server status for Taiwan at the INTERPOL Assem-  
11      bly. However, since 2017 Taiwan has not received  
12      an invitation to attend any of these events as an ob-  
13      server.

14       (b) AUGMENTATION OF REPORT CONCERNING THE  
15      PARTICIPATION OF TAIWAN IN THE WORLD HEALTH OR-  
16      GANIZATION.—

17           (1) IN GENERAL.—Subsection (c) of section 1  
18      of Public Law 108–235 (118 Stat. 656) is amended  
19      by adding at the end the following new paragraph:

20           “(3) An account of the changes and improve-  
21      ments the Secretary of State has made to the  
22      United States plan to endorse and obtain observer  
23      status for Taiwan at the World Health Assembly,  
24      following any annual meetings of the World Health

1 Assembly at which Taiwan did not obtain observer  
2 status.”.

3 (2) EFFECTIVE DATE.—The amendment made  
4 by paragraph (1) shall take effect and apply begin-  
5 ning with the first report required under subsection  
6 (c) of section 1 of Public Law 108–235 that is sub-  
7 mitted after the date of the enactment of this Act.

8 **SEC. 402. BRIEFING ON UNITED STATES STRATEGY RE-**  
9 **GARDING TAIWAN’S INTERNATIONAL REC-**  
10 **OGNITION.**

11 (a) IN GENERAL.—Not later than 90 days after the  
12 date of the enactment of this Act, and every 180 days  
13 thereafter for 3 years, the Secretary of State shall provide  
14 to the appropriate congressional committees a briefing on  
15 actions taken by the United States to reaffirm and  
16 strengthen Taiwan’s official and unofficial diplomatic rela-  
17 tionships.

18 (b) ELEMENTS.—The briefing required by subsection  
19 (a) shall include the following elements:

20 (1) A description of the actions taken by the  
21 United States commencing May 20, 2016, to consult  
22 with governments around the world, including the  
23 governments that maintain official diplomatic rela-  
24 tions with Taiwan, with the purpose of inducing  
25 those governments to maintain official diplomatic re-

1       lations with Taiwan or otherwise strengthen unoffi-  
2       cial relations with Taiwan.

3           (2) An enumeration of specific countries of con-  
4       cern, if any, and a description of the actions taken,  
5       or actions anticipated, by those governments, com-  
6       mencing May 20, 2016, to alter the formal diplo-  
7       matic ties with Taiwan or to otherwise downgrade  
8       official or unofficial relations.

9           (3) A plan of action to engage with the govern-  
10      ments of the countries identified in paragraphs (1)  
11      and (2) and increase cooperation with respect to  
12      Taiwan.

13      (c) APPROPRIATE CONGRESSIONAL COMMITTEES.—  
14   In this section, the term “appropriate congressional com-  
15   mittees” means—

16           (1) the Committee on Foreign Relations of the  
17      Senate; and

18           (2) the Committee on Foreign Affairs of the  
19      House of Representatives.

20   **SEC. 403. SENSE OF CONGRESS ON THE IMPLEMENTATION**  
21           **OF THE ASIA REASSURANCE INITIATIVE ACT.**

22      It is the sense of Congress that the full and timely  
23   implementation of section 209 of the Asia Reassurance  
24   Initiative Act of 2018 (Public Law 115–409; 132 Stat.  
25   5387), which reiterates longstanding bipartisan United

- 1 States policy, is critical to demonstrate United States sup-
- 2 port for Taiwan.
