The Honorable Tom Cole  
Chairman  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

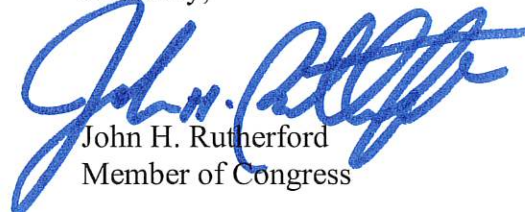

I am requesting funding for Community Health Center Pharmacy Equipment in Fiscal Year 2027. The entity to receive funding for this project is Agape Community Health Center, Inc., located at 120 King Street, Jacksonville, Florida 32204.

The funding would be used to purchase capital equipment to support the establishment of an entity-owned 340B outpatient pharmacy within its existing leased clinical space. This project is a valuable use of taxpayer funds because it will integrate on-site pharmacy services with existing primary care and behavioral health services to improve access to affordable prescription medications for medically underserved patients.

The project has a federal nexus because the requested funding would be for purposes authorized by the Public Health Service Act.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

John H. Rutherford  
Member of Congress
